Project Applicant

Owner/Developer: Heritage Real Estate Ventures, LLC

Project Location

The project site is on a one 1.35-acre parcel (APN 023-102-15) located on the north side of Scotts Valley Drive between Tabor Drive and Bethany Drive.

Project Description

The project would demolish the two existing one- and two-story commercial buildings (totaling 12,200 sf). The site, known as Bethany Park, was previously the support offices for Bethany University. The property was sold to Heritage Real Estate Ventures, LLC when Bethany University was redeveloped as the 1440 Multiversity Campus.

The proposed 125 Bethany project (the project) is a mixed-use three-story commercial redevelopment which consists of one 52,822 gross square feet (sf) building. This building would include 10,465 net square feet of professional and administrative office space, and 42,357 net square feet of storage for up to 227 user spaces. The first and second floors of the building will be bifurcated by a drive aisle that allows vehicles to park for loading and unloading. The third floor will be continuous over the drive aisle. There will be three office spaces on the first floor, six office spaces on the second floor and six office spaces on the third floor. The project would provide 54 parking spaces located on the north and south extents of the project site, and along a central corridor which would also include loading spaces.
