State Clearinghouse Number (if applicable):
Project Title: Bonny Doon Elementary School Water System Improvements
Project Applicant: Bonny Doon Unified Elementary School District

Project Location: Construction of the Bonny Doon Elementary School Water System Improvements (project) is proposed at the Bonny Doon Union Elementary School, located at 1492 Pine Flat Road. The school serves the community of Bonny Doon and is located approximately 8 miles northwest of the City of Santa Cruz, in the unincorporated area of Santa Cruz County (see FIGURE 1). The surrounding area supports residential, agricultural and timber production land uses. Santa Cruz County is bounded on the north by San Mateo County, on the south by Monterey and San Benito counties, on the east by Santa Clara County, and on the south and west by the Monterey Bay and the Pacific Ocean.

Project Description: The project involves the redevelopment of the on-site water distribution network at the Bonny Doon Elementary School, including the demolition of two water tanks and replacement with three new 9,000-gallon tanks and two potable water pressure tanks and associated water lines, construction of a retaining wall, replacement of a pump house, and trenching for new water lines. Seven trees, three of which are dead, would be removed during construction.

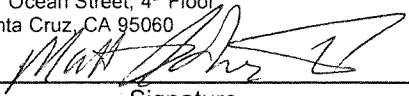

This is to advise that the County of Santa Cruz has approved the above described project on _____ and has made the following determinations regarding the above described project: _____ (Date)

1. The project [will will not] have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
