### Meeting Roles and Rules:

All meeting attendees should keep their microphones on mute unless they are speaking.

The Chair of the Commission will lead the meeting. The Chair will announce each agenda item, identify who will be leading an item and introduce discussion and public comment periods.

County staff will assist with roll call, note taking, and tracking who wants to speak. Please allow time for staff to make notes about any decisions.

There will be a public comment period for each item and the Chair will invite the public to participate at the appropriate time.

During a discussion, if 2 or more people speak at the same time, please defer to the person who speaks first. In any moment where we have some confusion due to multiple people wanting to speak, please pause and let the Chair take the lead. The Chair will call on someone to speak.
