# **AB109 Request for Proposals (RFP) 2024-25**

## **Procurement Process**

The Request for Proposals (RFP) was approved by the Board of Supervisors and released on February 13, 2024. Twenty-eight proposals were submitted across seven major service categories.

Proposals were reviewed and scored by a trained panel of 20 individuals representing law enforcement, the courts, probation, county departments, and community-based organizations. Proposals in each area were ranked based on their average reviewer scores.

The panel rankings will be presented for approval by the Board of Supervisors on June 25, 2024. We now request that the CCP review the rankings and recommend Board approval.

# Introduction

---

On February 1, 2024 we celebrated the grand opening of the Santa Cruz County Sobering Center. Situated on Water Street, just in front of the Santa Cruz County Main Jail, this facility offers a valuable alternative for individuals arrested for first-time DUI, public intoxication, and those under the influence of drugs/alcohol. Rather than being taken to the main jail, eligible individuals will be taken to the Sobering Center. This facilitates immediate connections to treatment for clients and expedites the return of law enforcement back to community safety.
