**The current vacancy is in the Department of Community Development and Infrastructure, Public Works division and will be working in Sanitation Operations.** *The list established from this recruitment will be used to fill current and future full-time vacancies during the life of the eligible list.*

**THE JOB:** Under general supervision, inspects and monitors industrial and commercial wastewater sources for compliance with Federal, State and local discharge regulations; inspects pretreatment facilities, grease traps and interceptors; collects samples, and operates and maintains sampling equipment; and performs other work as required.

**THE REQUIREMENTS:** Any combination of training and experience, which would provide the required knowledges and abilities, is qualifying. A typical way to obtain this knowledge and abilities would be:

Three years of journey level experience in a related field, such as biology, chemistry, chemical engineering, hazardous waste or industrial waste process systems.

**EDUCATIONAL SUBSTITUTION:** A bachelor's degree in biological or chemical science, environmental or sanitary engineering, industrial hygiene or hazardous materials management or a related field may be substituted for two years of the required experience.

**SPECIAL REQUIREMENTS:**

Must obtain an Environmental Compliance (Industrial Waste) Inspector Grade 1 Certification issued by the California Water Environment Association within one year from the date of employment. (If the examination is not administered within this time frame, this period will be extended to the next examination administration.) Possession of a California Class C Driver's License from the start of employment. Ability to lift 55 pounds.

**KNOWLEDGE:** Working knowledge of the principles of pretreatment facilities and pretreatment facility inspection; the principles of the chemical and physical characteristics of organic and inorganic wastes; the principles of chemistry, engineering, biology, hydrology, and water quality management; Federal, State and local statutes, regulations, legislative and regulatory processes and programs, and responsibilities related to hazardous and toxic waste management and wastewater discharges; the methods of storing, handling, recovering, disposing, and recycling of hazardous, toxic, and industrial wastes into the wastewater stream; and the principles and practices of hazardous, toxic and industrial waste safety. Some knowledge of sampling procedures used to produce results that may be used as evidence in a court of law.

**ABILITY TO:** Inspect and monitor facilities discharging toxic, hazardous and industrial wastes; communicate persuasively and tactfully with commercial and industrial representatives; prepare accurate reports and written correspondence; perform required tasks under the pressure of deadlines; safely and accurately measure flows, sample wastes and perform basic analyses; maintain accurate and organized records; establish and maintain effective working relationships with those contacted in the course of work; and use computers to create spreadsheets and forms and to perform word processing; and lift up to 55 pounds.

**THE EXAMINATION:** Your application and supplemental questionnaire will be reviewed to determine if you have met the education, experience, training and/or licensing requirements as stated on the job announcement. If you meet these criteria and are one of the best qualified, you may be required to compete in any combination of written, oral and/or performance examinations or a competitive evaluation of training and experience as described on your application and supplemental questionnaire. You must pass all components of the examination to be placed on the eligible list. The examination may be

eliminated if there are ten or fewer qualified applicants. If the eligible list is established without the administration of the announced examination, the life of the eligible list will be six months, and your overall score will be based upon an evaluation of your application and supplemental questionnaire. If during those six months it is necessary to administer another examination for this job class, you will be invited to take the examination to remain on the eligible list.

**HOW TO APPLY:** Apply online at [www.santacruzcountyjobs.com](http://www.santacruzcountyjobs.com) or mail/bring an application and supplemental questionnaire to: Santa Cruz County Personnel Department, 701 Ocean Street, Room 510, Santa Cruz, CA 95060.
