County Equity Statement

Equity in action in Santa Cruz County is a transformative process that embraces individuals of every status, providing unwavering support, dignity, and compassion.

Through this commitment, the County ensures intentional opportunities and access, fostering an environment where everyone can thrive and belong.

THE JOB: Population health in the US since the 1880s has vastly improved because of a focus on sanitation and vaccinations. Environmental Health Specialists are the frontline of the public health's success in addressing sanitation and chemical protection. Do you want to be a part of the important local health department's efforts to protect surface and groundwater water from sewage and chemical impacts; food is served safely to the public; hazardous chemicals are managed properly at large chemicals facilities to auto body shops; pools are safe to swim in; prepare for and respond to local disasters? [Click here for more information about this career.](#) Under direction, to inspect and investigate environmental health conditions to enforce Federal, State, County and local environmental health and safety laws, ordinances, and regulations; to obtain compliance or corrective action; to educate the public concerning environmental health and safety; and to do other work as required. Environmental Health Specialist Trainee positions may be recruited in one of the following units: Consumer Protection, Hazardous Materials, Site Mitigation, Land Use, and Water Resources. **The eligible list established from this recruitment will be used to fill the current and future vacancies throughout the life of the eligible list.**

THE REQUIREMENTS: Any combination of education and experience which would provide the required knowledge and abilities is qualifying, unless otherwise specified. A typical way to obtain the knowledge and abilities would be:

Graduation from an accredited college or university with a bachelor's degree in environmental science or any combination of education and experience approved by the California State Department of Public Health.

SPECIAL REQUIREMENTS/CONDITIONS: License Requirements: Possess and maintain a valid California Class C Driver License. Possession of a written statement from the California State Department of Public Health indicating that educational requirements have been met for admission to examination for Registered Environmental Health Specialist. For more information, please visit <https://www.cdph.ca.gov/Programs/CEH/DRSEM/Pages/EMB/REHS/REHS.aspx> **A COPY OF THIS WRITTEN STATEMENT MUST BE SUBMITTED WITH YOUR APPLICATION.**

SPECIAL WORKING CONDITIONS: Exposure to variable temperatures; slippery surfaces; loud noises; sunburn; dust and pollen; bee stings; infections, such as tick-borne Lyme disease or mosquito-borne encephalitis; angry or hostile persons; hazardous materials; wetness, such as while walking in the rain or through a stream on a site inspection; raw or partially treated sewage; inadequate ventilation; live electrical wires, aggressive dogs, fleas, cockroaches, and rodents.

OTHER SPECIAL REQUIREMENTS: Positions may be assigned to carry a pager, cell phone or other communication equipment and respond to emergency situations and perform on-call or call-back duties. Work situations may include evenings, weekends, and holidays.

Knowledge: Some knowledge of methods and techniques of scientific investigation, inspection and resolving unsanitary conditions.

Ability to: Analyze situations accurately and take effective action; establish and maintain cooperative relationships with others; prepare clear and concise reports; learn to detect unsanitary conditions and public health hazards, secure corrective action through education or voluntary compliance or legal enforcement; learn to provide instruction in the methods and procedures of sanitary inspection and correction of unsanitary conditions; learn to understand conditions and develop alternatives for soils and percolation problems; learn environmental health and safety codes; learn the principles of environmental health and sanitation; learn to apply Federal and State laws, local ordinances and regulations governing environmental health and sanitation; obtain additional training pertaining to environmental health; learn to input, access and analyze data using a computer; and learn to make public presentations.

THE EXAMINATION: Your application and supplemental questionnaire will be reviewed to determine if you have met the education, experience, training and/or licensing requirements as stated on the job announcement. If you meet these criteria and are one of the best qualified, you may be required to compete in any combination of written, oral and/or performance examinations or a competitive evaluation of training and experience as described on your application and supplemental questionnaire. You must pass all components of the examination to be placed on the eligible list. The examination may be eliminated if there are ten or fewer qualified applicants. If the eligible list is established without the administration of the announced examination, the life of the eligible list will be six months and your overall score will be based upon an evaluation of your application and supplemental questionnaire. If during those six months it is necessary to administer another examination for this job class, you will be invited to take the examination to remain on the eligible list.

HOW TO APPLY: Apply online at www.santacruzcountyjobs.com or mail/bring an application and supplemental questionnaire to: Santa Cruz County Personnel Department, 701 Ocean Street, Room 510,

Santa Cruz, CA 95060. For information, call (831) 454-2600. Hearing Impaired TDD/TTY: 711. Applications will meet the final filing date if received: 1) in the Personnel Department by 5:00 p.m. on the final filing date, 2) submitted online before midnight of the final filing date.

Women, minorities, and people with disabilities are encouraged to apply. If you have a disability that requires test accommodation, please call (831) 454-2600.

To comply with the 1986 Immigration Reform and Control Act, Santa Cruz County verifies that all new employees are either U.S. citizens or persons authorized to work in the U.S.

Some positions may require Fingerprinting and/or Background Investigation.

ENVIRONMENTAL HEALTH SPECIALIST TRAINEE– SUPPLEMENTAL QUESTIONNAIRE
