## Mutually Agreed SEIU Benchmark Listing Attachment D of the MOU for September 19, 2021 - September 18, 2024

Classifications in bold are the benchmark classes which are the data component for salary survey purposes. For example, the salary survey results for the Accountant II benchmark will apply to the classifications of Accountant I, Accountant III, Accounting Analyst, Property Tax Specialist and Property Tax Systems Coordinator. If an equity adjustment is applied to the benchmark classification, then all the classes tied to the benchmark will be affected similarly.
