COUNTY ANNOUNCES STATE OF THE COUNTY ADDRESS

On Tuesday, Sept. 29, members of the public are invited to attend a State of the County address, bringing together County leaders and the community for a discussion of the issues, priorities and challenges shaping Santa Cruz County.

Santa Cruz County Board of Supervisors Chair Monica Martinez and County Executive Officer Nicole D. Coburn will deliver the address from 6-7:30 p.m. in the 5th floor Board Chambers, 701 Ocean Street, Santa Cruz.

The event offers residents an opportunity to hear directly from County leadership about the state of the organization and community, progress on key priorities, challenges facing Santa Cruz County and the work ahead.

"This is an opportunity to reflect on where we are as a community, recognize the progress we have made together and have a candid conversation about the challenges and opportunities ahead," Martinez said. "We invite residents from throughout Santa Cruz County to join us."

The State of the County address is open to the public. No registration is required.
