## COMMUNITY MEETINGS ON 2026-2032 STRATEGIC PLAN

The County of Santa Cruz County is inviting residents to participate in a series of community town hall meetings this February as part of the County's Strategic Plan update — a roadmap that will help guide County priorities, investments, and services in the years ahead.

The Strategic Plan is intended to reflect community values and help the County respond to both current and emerging challenges, including housing, public safety, climate resilience, infrastructure, and overall quality of life. Community input is essential to this effort, and residents are encouraged to share their ideas, priorities, and perspectives. To view the current plan, visit [sccvision.us](http://sccvision.us).

Starting with a February 3 town hall for District 5 residents, each town hall will be hosted by the District Supervisor and will provide an opportunity for open conversation, questions, and dialogue in a welcoming, community-centered environment.
