**COUNTY OF SANTA CRUZ COMMUNITY DEVELOPMENT & INFRASTRUCTURE
LAUNCHES REDESIGNED WEBSITE**

May 30, 2024 – Santa Cruz, CA – The County of Santa Cruz Department of Community Development & Infrastructure is thrilled to announce the launch of its newly redesigned website.

The website redesign includes the integration of the Public Works Division, Planning Division, and the newly established Unified Permit Center all on one website. The integration simplifies the process for residents and businesses to find what they need without having to navigate through multiple websites, and is part of the department’s ongoing commitment to improve the accessibility of available public services through an improved user experience.

New website features include enhanced search functionality for users to quickly find documents, forms, and other necessary resources, a user-friendly & modern layout, events calendar, announcements, accessible quick links, and more!

The County of Santa Cruz invites all residents and businesses to explore the new website and take advantage of its enhanced features. For more information, please visit the new Community Development & Infrastructure website at:

<https://cdi.santacruzcountyca.gov/>.

ABOUT THE DEPARTMENT OF COMMUNITY DEVELOPMENT & INFRASTRUCTURE

The County of Santa Cruz Department of Community Development & Infrastructure serves all unincorporated areas in the county. The department’s mission is to improve customer service, streamline projects, and to align public infrastructure, and private development to further County goals in attainable housing, reliable transportation and sustainable environment.
